RE: Notice Regarding Students with Disabilities

One team...all in.
We are 114.

House Bill 5770, which became law on August 28, 2018, requires that, beginning with the 2019-2020 school year, a school board posts on its internet website notice that students with disabilities who do not qualify for an IEP may qualify for services under Section 504 of the Rehabilitation Act of 1973 if the child: (i) has a physical or mental impairment that substantially limits one or more major life activities; (ii) has a record of a physical or mental impairment; or (iii) is regarded as having a physical or mental impairment.

Should you have any questions regarding your child's rights, this policy, or District 114 procedures, please contact:
