

A Message from the Superintendent:

Welcome to District 114! The D114 Board of Education, administrative team, and staff are excited to embark upon the 2017-2018 school year! We are very proud of the focus in D114 toward maximizing learning for all our students, and I'm thrilled to help lead these efforts as your new Superintendent!

Throughout the year, we will share the important work and highlights of our school year related to our goals and initiatives. Our website will be a great source of information, and you'll also receive regular communication from Lotus, Stanton, and from District Office. Our goal is to keep you up to date on the amazing work of District 114 and to enlist your help and support in continuing to grow and improve!

I truly look forward to beginning our work together during the 2017-2018 school year and am excited to collaborate with the entire D114 community. The opportunities to meet the children, staff, families, and community as a whole have shown how much each member of the D114 school family is committed to excellence in education--the vision of School District 114!

Thank you for the opportunity to serve the school community of Fox Lake District 114! Should you have any questions during the summer months or moving forward, please don't hesitate to contact me at heather.friziellie@foxlake114.org or at 847-973-4028.

Have a wonderful summer, and I look forward to working with you!

My very best,

Heather Friziellie

Superintendent, Fox Lake Grade School District 114
